Dear Ray,

Congratulations! You have been selected to receive the Allied Health professional of the Year Award as the outstanding nurse by the National Kidney Foundation of Southern California.

Although the award was established two years ago with a rotating plaque given to a single allied health professional, this year's award will be given to a professional from each discipline. The presentation will occur at the symposium luncheon next Saturday. No announcement of the awards will be made before the luncheon.

You will receive a plaque and a cash award of \$50.00 I look forward to seeing you at the symposium. Best wishes.

Sincerely,

Annette James Rogers, LCSW, Chairperson  
Allied Professional Advisory Committee
